## NIX 30 STREET CARTRIDGE KIT

### BIKE: DUCATI SCRAMBLER

The new Öhlins Road & Track NIX 30 street cartridge kit is now available for the Ducati Scrambler, and more models is coming. The NIX 30 cartridge kit features new designed black top caps to give the bike a more subtle look.

The "NIX" technology is developed from high level racing such as WSBK to deliver the utmost performance for the rider when needed. Changing to the NIX 30 street cartridge kit is easy, it fits bolt on in the standard front legs and you get adjustable compression and rebound damping separated in each leg, as well as preload adjustment, all accessible from the black top caps.

We at Öhlins has tested the Road & Track NIX 30 cartridge kit extensively. On road as well as track, to make a kit that gives the utmost performance on your favourite road but also gives a comfortable ride when cruising or commuting to work.
